Tutorial 7 : Landmark Painting

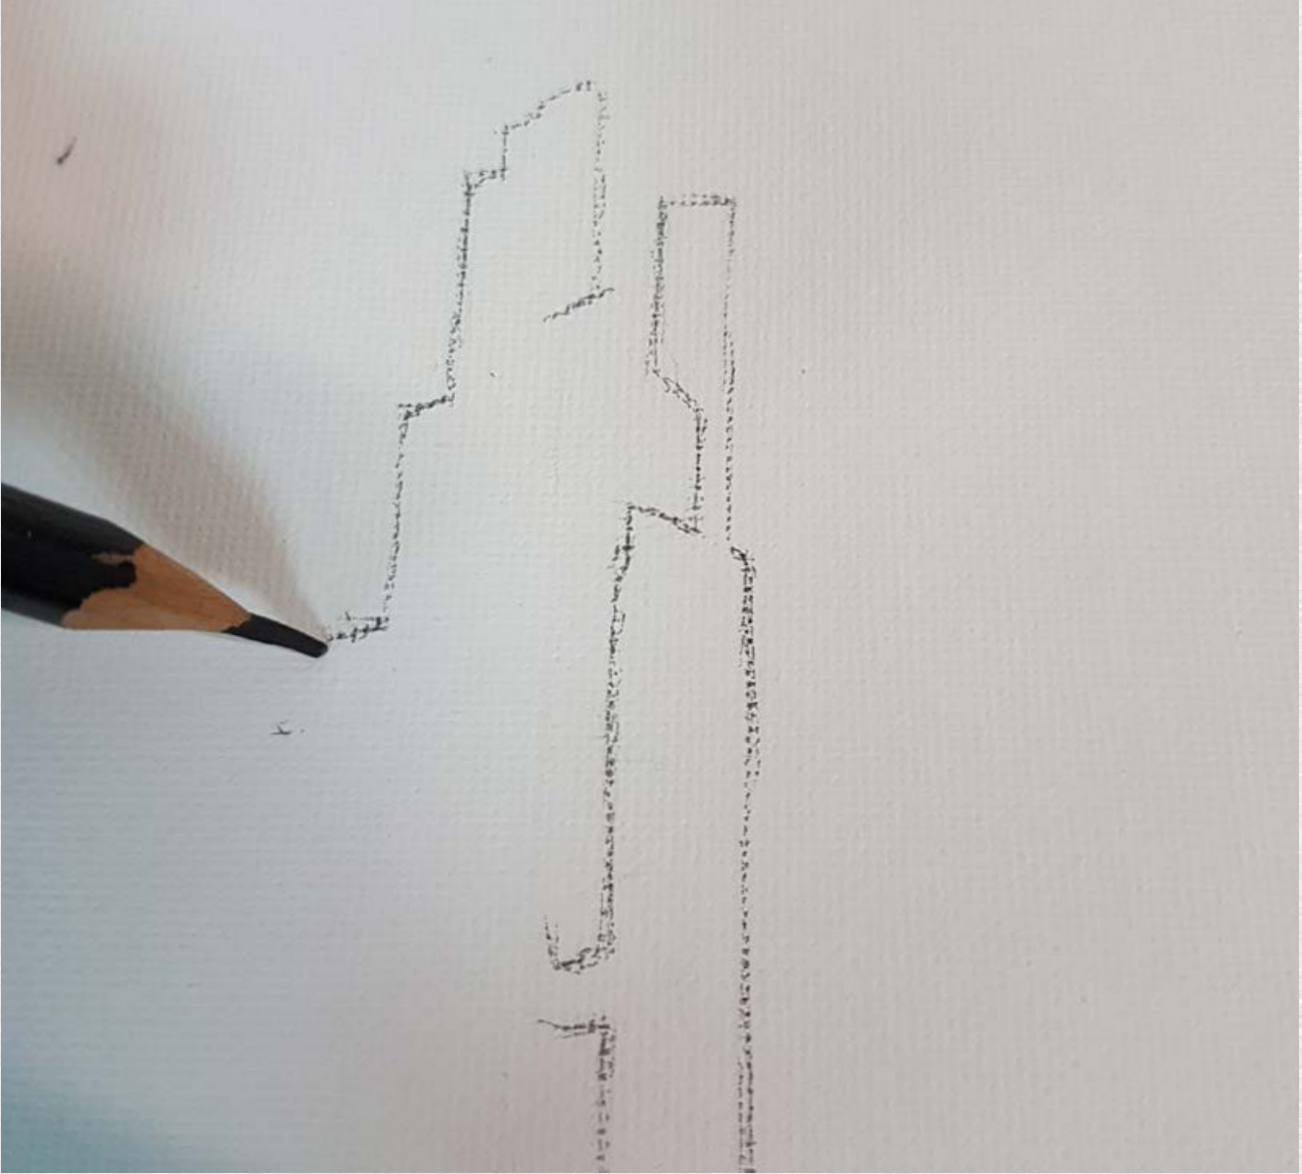

Step-by-step guide to learn landmark painting using acrylic paint

In partnership with UOB Painting of the Year winning artists

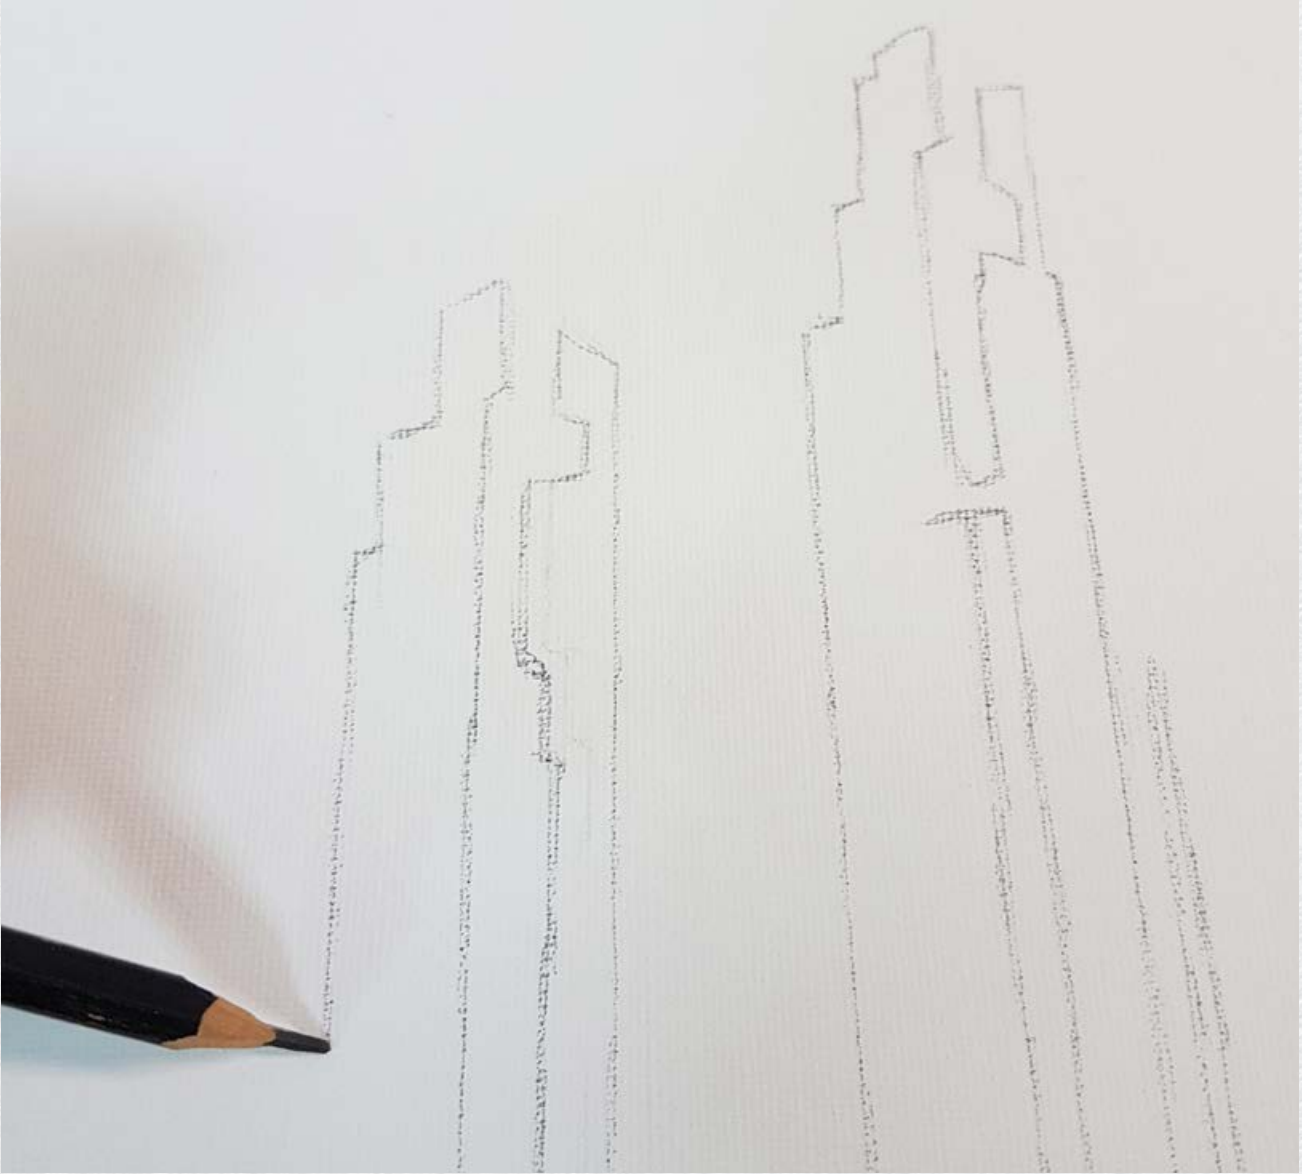

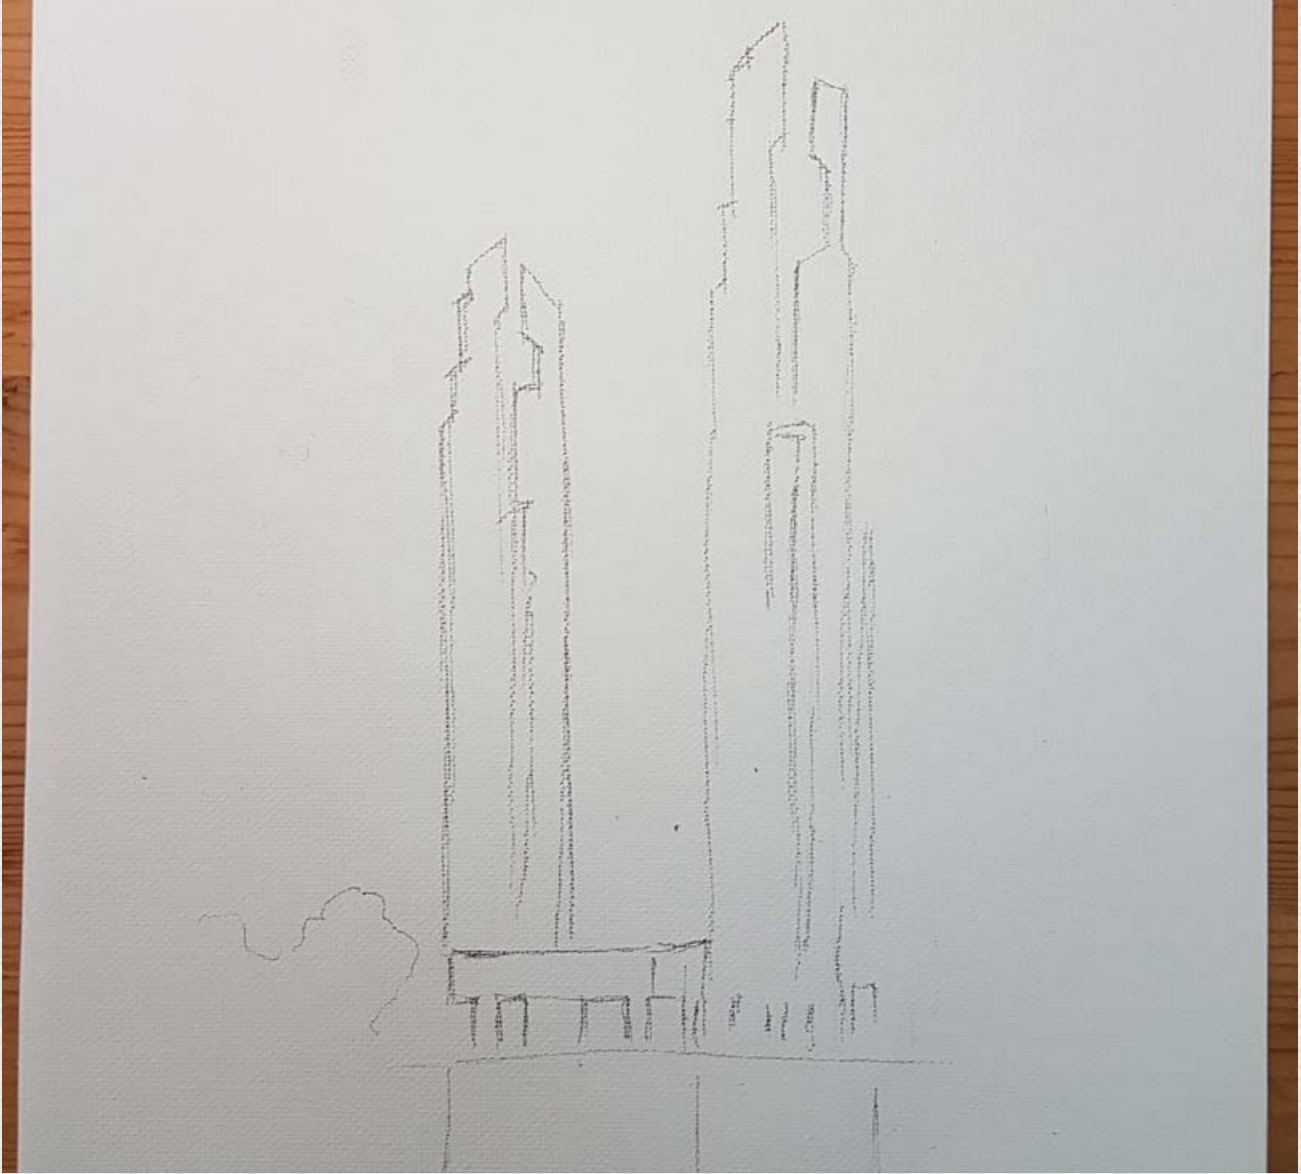

Materials: Canvas, Acrylic Paint, Paintbrushes, Pencil, Eraser, Water and Palette

Sketch the outline of UOB Plaza 1.

Sketch the outline of UOB Plaza 2. UOB Plaza 2 is shorter than UOB Plaza 1.

Add in the landscaping (e.g. trees) to complete the sketch.

Add a little water to thin the acrylic paint. Mix well.

Paint an oval shaped background around the buildings.

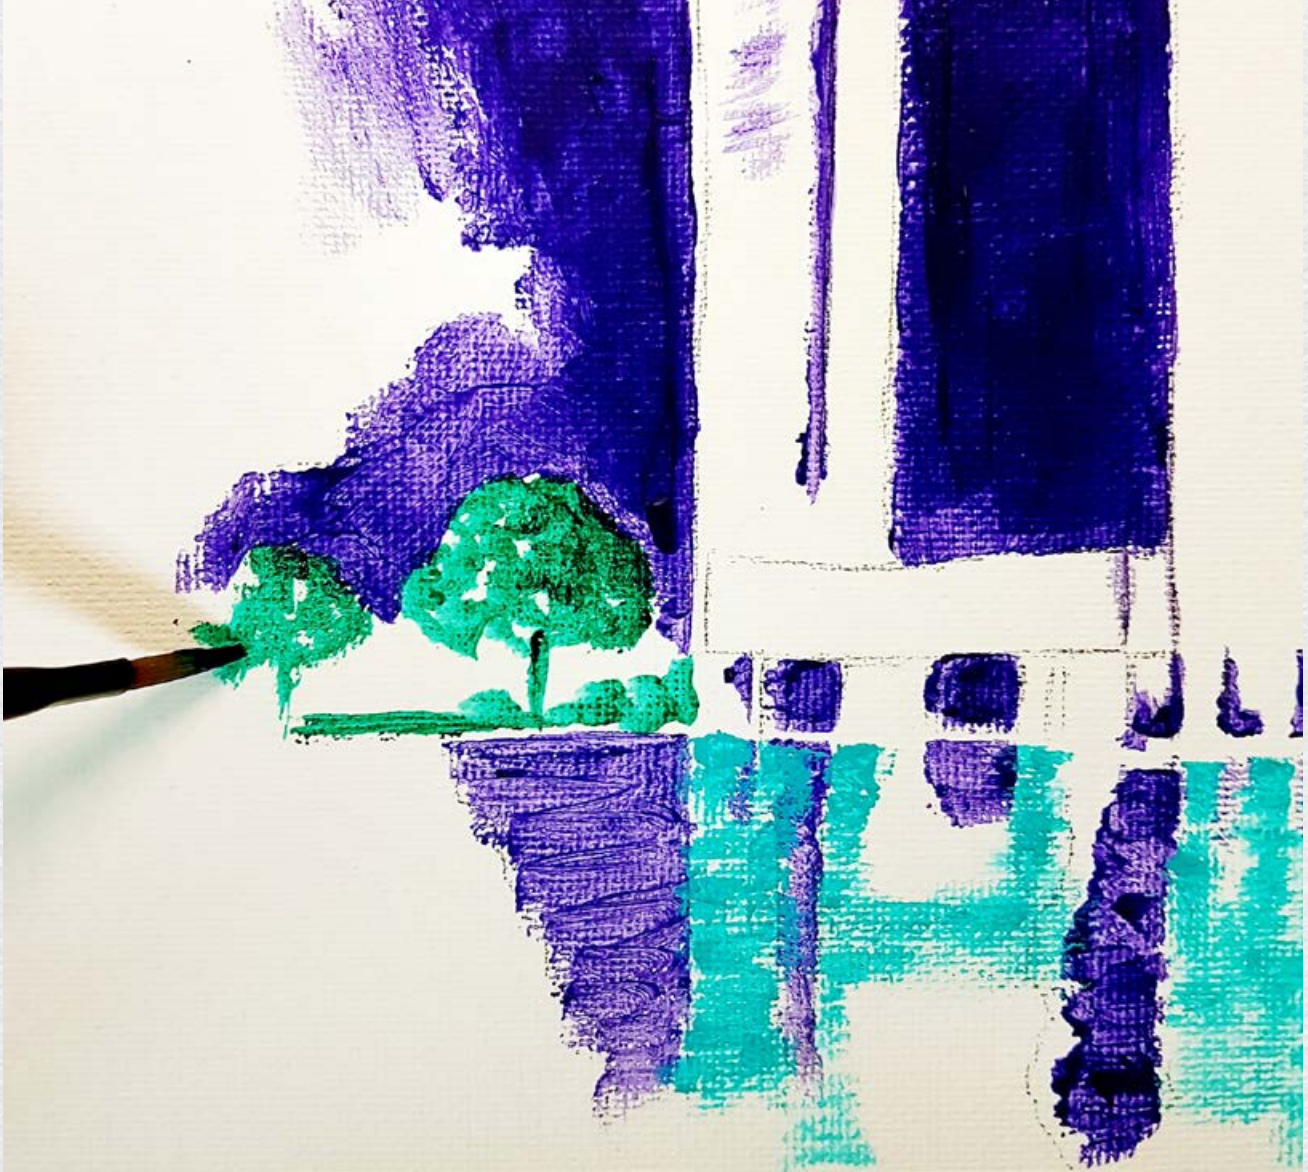

Draw the windows using fine strokes. The strokes should cover half the height of the buildings.

Paint the reflection of the buildings using horizontal strokes in turquoise.

Paint clouds over the purple background in turquoise.

Paint the trees in circular motion with green paint.

Paint the flags along the river in red.

Create other iconic landmarks using the same painting technique.

Three important tips:

- 1 Sketch using short strokes to have a clean outline
- 2 Allow the paint to dry before applying another layer to prevent colour smudge
- 3 Use light pressure to create thinner lines when painting finer details (e.g. windows, flags)
